WHY CHIME

Chime's platform empowers agents by combining a fully integrated IDX team website, a responsive CRM system, and intelligent multi-channel marketing services.

Chime is one of the few CRM systems in the industry that requires very little 'tweaking' as its been built - and continues to evolve - with the modern agent in mind. The intuitive platform leverages innovative technology like AI to intimately understand buyer and seller behavior, driving more successful campaigns and increasing the bottom line..." - Sarah Richardson CEO Tru Realty
